

Dr Julia Wilson, DVM, ACVIM

Dr. Julia Wilson is a large animal internal medicine specialist providing consulting services to veterinary practices and working seasonally for the Minnesota Racing Commission. She served for 15 years as a faculty member and clinician at the University of Minnesota's College of Veterinary Medicine, and continues to serve as co-advisor of their Student Chapter of the American Association of Equine Practitioners. Dr. Wilson coordinated the veterinary students team assisting veterinarians at the World Equestrian Games in 2010. Previously, she worked in both private practice and as a faculty member at the University of Florida. Her veterinary interests include all aspects of large animal medicine, especially equine infectious diseases, neonatology and preventive medicine. She serves on the Board of Directors of Heifer International and Veterinarians Without Borders US, and is a past member of the Board of Directors of the American Association of Equine Practitioners.

Dr Wilson will be presenting current therapies in equine neonatology and infectious diseases. You are encouraged to bring questions from cases you see in your practices for Dr Wilson to address.

Dr Wilson will also lead a discussion on equitarian outreach, a topic she presented on at the 2011 AAEP meeting in November.

WHO IS WEPA INC?

The Wisconsin Equine Practitioners' Assoc. Inc was formally organized in 1964 by Drs. Howard Cook, A.E. Moats, Sr., and Merrill Culham. It is an organization of veterinarians from Wisconsin and surrounding states, who are dedicated to promoting the health and welfare of the horse. WEPA Inc accomplishes its objective by holding semi-annual, day long, reasonably priced continuing education seminars for equine as well as mixed practice veterinarians.
